**TERMS AND CONDITIONS OF SALE**

The greatest care is exercised in keeping our stock clean and true to name. Should any prove otherwise, we will return your money or replace it with other stock, but we are not liable for damage beyond this. A sure indication of the purity of our stock is the fact that customers of former years continue to deal with us. Certificate of Inspection is attached to each shipment.

Evergreens are the most conspicuous in lawn decoration, and when other trees and shrubs have lost their beautiful appearance, the Evergreen towers above them and adds warmth and color to the picturesque home.

We deliver by Truck, within a radius of 150 miles. This is charged for at cost. Motor Truck delivery is the better way of transportation.

**TERMS.** We offer the usual terms to those of known responsibility, but must have satisfactory business references from others or cash must accompany order. Please use printed stationery or enclose business card.
